

1200 SHORELAND STANDARDS

1201 SHORELAND CLASSIFICATION SYSTEM

Bodies of water created by private users, (for a designated private use authorized by the Commissioner of Natural Resources) shall be considered Protected Waters and are not exempt from the provision of this section. The official determination of the size and physical limits of drainage areas of rivers and streams shall be made by the Commissioner of Natural Resources. The official size of lakes, ponds or flowages shall be areas listed in the Division of Waters, Soils and Minerals, Bulletin No. 25, or its successor publication, An Inventory of Minnesota Lakes, or in the event of that lakes, ponds or flowages are not listed therein, official determination of size and physical limits shall be made by the Commissioner of Natural Resources in cooperation with the Administrator.

1300 AMENDMENTS TO LAKE OR STREAM CLASSIFICATION

Amendments to a lake or stream classification shall be done only by the Department of Natural Resources. There is no City mechanism for making modifications to a lake or stream classification.
